

MYSORE DISTRICT

NOTICE.

The Superintending Engineer, Krishnarajasagara Works, intimates, in his No. 193, dated 25th May 1920, that the raising of the masonry dam at Kannambadi to plus 75 feet will be completed by the end of this month, that the water level in the Reservoir is likely to rise to 75 feet and even up to plus 90 and thereby give room for damage to life and property to the villagers in the water-spread area, and that the old bridge across the Lakshmanathirtha river on the Elval-Hassan road will get submerged and prevent all traffic by road to Yedatöre.

The public, and in particular, the villagers in the water-spread area, are hereby informed of the danger they are liable to and of the need for the vehicular and other traffic passing to Yedatöre through Hunsur by road.

V. S. VASUDEVA RAO,
For Deputy Commissioner.

The sale will commence at 11 A.M. on the date specified, and the village will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulters, or any other persons acting on their behalf or claiming an interest in the land, tender the full amount of the arrears of the revenue with the interest and other charges, provided such tender be made before sunset on the day previous to that appointed for the sale.

7. The sale of the property will not become absolute until the sale has been confirmed by the Deputy Commissioner.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Deputy Commissioner, be placed in immediate possession, and the village will be registered in the name of the purchaser, and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.
